Parking violations received by a visitor must be paid no later than the close of business ten

(10) days from the date of the citation. Payment may be paid online at:

Faculty/Staff must arrange reasonable accommodations through Human Resources (HR) and provide a physician's note. A special permit will be issued based upon the instructions of HR. The permit issued by the Public Safety Parking Services will be for a maximum of two weeks.

If the requesting person has not obtained a parking permit, they must apply for a permit prior to requesting closer parking due to temporary disability. Parking permit rules apply to disabled persons parking on HSSU property. A parking decal must be obtained separate, and in addition to, parking on HSSU property.
