

# STUDYING SMART

## Study Tips For College Students

### How To Strategize

01

- Avoid studying in bed
- Keep a planner and schedule your tasks
- Have a designated study space ready

### How To Focus Better

02

- Minimize distractions
- Put electronic devices out of sight
- Sit in the right position
- Turn off your phone

### How To Lift Your Spirit

03

- Play music that can increase the spirit of learning
- Use adequate lighting
- Have a snack
