

MEMORANDUM

To: HSSU Campus Community
From: Office of Communications and Marketing
Date: January 4, 2021
Re: Campus COVID-19 Testing Reminder

As a friendly reminder, the University is requiring all students and employees who will be on campus at any time during the Spring 2021 semester to provide a negative COVID-19 test result to HSSU before returning to campus in 2021.

COVID-19 Testing for Employees

Employees can meet this requirement by taking a COVID-19 test at a facility covered by their insurance provider or a licensed provider no earlier than January 1, 2021. Employees should submit their results to Human Resources by email to hr@hssu.edu by January 11, 2021.

COVID-19 Testing for Students

(1) Residential Students and Student Athletes

Residential students and athletes may participate in free on-campus testing on January 15 or 16. Testing will be conducted by appointment only. Students should make appointments at <http://www.hssu.edu/C19Test>. Testing results are available on the same day.

(2) Commuter Students

Commuter students must obtain a COVID-19 test on or after January 22, 2021 from a licensed provider and provide documentation to the HSSU Office of Student Health Services at healthservices@hssu.edu before February 1, 2021. Students should plan accordingly, as test results can take a few days to come back.

A list of licensed providers in St. Louis County and City can be found by visiting one of the websites listed below.

St. Louis County
<https://stlcorona.com/covid-19-testing/>

St. Louis City
