

MEMORANDUM

To: Campus Community
From: Office of Communications and Marketing
Date: September 2, 2020
Re: Thank you for a great first week!

We have had an incredible start to the semester. Of course, our residential students' enthusiasm to return to campus is energizing for all of us, and we want to reassure you that we are focused on taking precautions to help keep everyone safe.

We are committed to and continue to follow health and safety protocols across campus, including CDC guidance and County and City requirements. All buildings on campus continue to be thoroughly sanitized, and we are coordinating directly with the Office of Student Health Services to provide information and support to our students, faculty, and staff.

Moving into our second week of classes, we are pleased to report the following since beginning classes on Monday, August 24, 2020:

- 0 reported cases of COVID-19 among students
- 0 reported cases of COVID-19 among faculty
- 0 reported cases of COVID-19 among staff

We would like to thank the students, faculty, and staff and the surrounding community for their commitment to our protocols to help keep the campus safe, and for their patience and flexibility, as we navigate these challenging times.

Starting the week of September 16, 2020, you will each receive your first "Harris-Stowe State University Campus Update." These updates will be distributed via email on a bi-weekly basis to keep you informed moving forward.

Please continue to help us keep our campus as healthy and safe as possible. We are in this together. For more information, including specific health and safety protocols, visit our [COVID-19 Resource Center](#).
