

Creating a Shared Vision

HARRIS-STOWE STATE UNIVERSITY

Dr. Corey S. Bradford, Sr.
President

Change Happens Here

Creating a shared vision:

1. Support for faculty and academic programs
2. Student Success
3. Community Impact
4. Enhanced Relationships with Business Community
5. Expand Educational Access

Support for Faculty and Academic Programs

- Increase the quality of academic programs across the institution
- Clear focus on STEM and leadership development of students

Student Success

Focus on greater student success by making 4-year graduation the expectation at HSSU

- Enhance nurturing and supportive learning community
- Focus on eliminating barriers to student success
- Workforce development pipelines

Community Impact

- Having a greater community impact by galvanizing community service, faculty research, and community partnerships
- Increase HSSU's overall brand awareness by broadening the image and brand of the institution by taking the institution's name beyond the St. Louis region

Enhanced Relationships with the Business Community

- Enhancing relationships with the business community
- Meet workforce needs and prepare students for career opportunities
- HSSU is a resource to fill and diversify the workforce
- Harris-Stowe can help meet the needs of teaching shortages for minority teachers in our local school districts.
 - Grow Your Own Program
 - ACT Accelerated Certification Track Program
 - Urban Training Institute

Expand Education Access

- Implementing reclamation programs
- New general studies programs
- New scholarships, restructure existing scholarship programs
- Dual enrollment partnerships
 - Private, Public and charter high schools
 - Disadvantaged schools
 - Community colleges
